

Carnival Stakes

Carnival Stakes are a great way to add some fun to your garden. Each colorful, hand-painted globe is mounted on an iron stake, available in three different styles: horizontal stripes, polka-dots or vertical stripes.

Caution: The globes are ceramic and should be protected from impacts and from extreme weather. Bring the Stakes indoors during freezing temperatures to protect them from cracking.

Assembly: Simply screw together the stake poles and push the stake into the ground with your foot.
