

## Wicker Furniture Care

This synthetic wicker furniture has a fully welded steel frame that is acid-washed and powder-coated to help protect it from rusting and treated with UV stabilizers to protect it from the sun.

### Cleaning and Care Instructions

- To clean the furniture, hose it off and/or use a soft cloth and mild soap. Be sure to rinse off all soap residue with fresh water after cleaning.
- Place the furniture indoors or in a protected (covered) location during freezing weather or long periods of wet weather.
