

# Garden Finial Teepee

*Finial-topped Teepees are a fun way to add color to your garden.*

The Garden Finial Teepees can be used for growing pole beans, sweet peas, morning glories and other vining plants. Each Finial comes with 5 sturdy poles that have a bamboo finish. Simply insert the poles into the predrilled holes in the Finial. Push each pole at least 6 inches into prepared ground and then plant around the base of each pole.
