

## Unity Sphere

The geometry contained within the Sphere is believed to be an ancient symbol of unity. Unity Spheres make striking sculptural ornaments for a lawn, stone patio or gravel path, and also look wonderful in the winter landscape. The spheres may be collapsed for easy storage.

### Assembly

**Parts Included:** Ring set (4 attached rings) and a small hardware bag containing an Allen key and 4 screws.

**Step 1.** Place the Sphere on a soft and level surface to prevent scratches during assembly.

**Step 2.** Open the ring set and match each color dot with a matching color dot on another ring. Green with green, pink with pink, etc.

**Step 3.** Line up the holes in the matching colored rings and insert an Allen screw from the outer side of the rings. Tighten the screw with the Allen key. Tighten all screws including the pre-installed screws to finish the assembly.
