

Gardener's Revolution™ Planter Organic Replenishment Kit

Now you can enjoy a second year of upside-down tomato growing with the Revolution Planter Organic Replenishment Kit. The Kit includes a new Fabric Liner and Swiveling Hanger; a Moisture Level Indicator; three Capillary Strips; 20 quarts of Organic Self-Watering Container Mix; 1 lb. of All-Organic Tomato Fertilizer, and planting instructions that include a handy troubleshooting guide.

NOTE: For owners of the 2008 model of the Revolution Planter, you will be replacing your existing Fabric Liner and Hanging Chains with a new Fabric Liner and Swiveling Hanger. To prepare for installation of the new parts, remove the Hanging Chains and use scissors to cut out the existing Liner. Carefully follow all instructions provided with your new Kit and you're on your way!
