How to Plant a Winning Container

One of the best things about gardening in windowboxes and other sorts of pots and planters, is the opportunity they present to express your creativity. These days, local nurseries offer zillions of choices and no end of inspiration. But sometimes this abundance can be paralyzing. Pink or yellow? Upright or trailing? Sun or shade? Foliage or flowers? ▶ [Continue](#) ...

Suzanne Dandeneau's planting was an entry in our 2007 Windowbox Contest. ▶ [See all of the winning windowboxes](#)

Now You See Them, Now You Don't Choosing the Right Flower Support

A beautiful perennial border is the result good plant choices, careful siting and something you don't usually see: flower supports. Even the best-planned perennial borders need a little infrastructure. And with the right supports, anyone can add get that "master gardener" look. The key tools are support grids, rings, linking stakes and bamboo poles. ▶ [Continue](#) ...

Watch the Video Vegetable Gardening Italian-Style

With a demanding day job in customer service, Lisa Forleo finds the garden she's created around her suburban home in Linden, N.J., is a welcome retreat. "After a long day at work, I like to walk barefoot across the lawn and get my hands in the dirt." Having married into an Italian family, Lisa is determined to master the art of a "real" tomato sauce, so her tomato and pepper plants receive lots of special attention. ▶ [Continue](#) ...
