When using a Gift Card that doesn't cover the entire amount of your order, please enclose a check or credit information for the balance of that amount.

Check Policy

In the unlikely event that your check is returned for insufficient or held funds, we will debit your checking account electronically for the face amount of the check plus your state authorized fee, which can be $20 to $40, and varies by state. This policy allows us to resolve the problem without reporting you to a credit bureau and harming your credit rating. The transaction will appear on your bank statement, and no one will have to contact you about payment.

Our Privacy Promise

Lifetime Brands promises to respect your privacy. To be sure that we honor your wishes, please indicate your preferences.
