Z SPOKE

Zac Posen's diffusion line, Z Spoke, has all his famous femininity with a big dose of kooky thrown in. Now, the cartoony dresses and lean little suits he showed for the first time at New York Fashion Week in September 2010 are available at matchesfashion.com

MEREDITH WENDELL

After five years designing accessories at Marc by Marc Jacobs, Meredith German borrowed her husband's surname and launched her own collection, reworking classics with zingy colour flashes. Available at net-a-porter.com

Theyskens' Theory

As if you needed more of an excuse to love Theory, Olivier Theyskens has designed a capsule collection for them, full of his cool Belgian tailoring. We love the shruggy jackets and permanently wrinkled jeans. Available at net-a-porter.com
