

INFINITY ONE

Premium wireless portable speaker

The new Infinity One portable speaker – premium, mobile, distinctive.

The Infinity One's high-quality drivers deliver clarity at breathtaking volumes, wherever you bring your music. It pairs with your Bluetooth® music sources. Its rechargeable battery provides 10 hours playtime and can even charge an external device. The One's cutting-edge industrial design allows simple, intuitive operation of all controls. Its ceramic-coated aluminum chassis delivers durability and contemporary beauty to your eyes as well as your ears.

Features

- ▶ Stunning room filling sound and great bass from high-quality drivers
- ▶ Rechargeable lithium-ion battery for up to 10 hours playtime
- ▶ USB port for charging any smart device
- ▶ Built with extruded aluminum chassis and highest quality materials
- ▶ Cutting-edge design – huge sound from a portable, minimalist package
- ▶ Easy Bluetooth® pairing with NFC

Stunning clarity room filling sound and great bass response from high-quality drivers

The Infinity One wields an array of four 1.75 inch active drivers, tuned with a pair of custom passive bass radiators. The digital audio signal is shaped by custom acoustic software technology, and delivered to the drivers by a powerful 25 watt amplifier. The resulting sound is huge and breathtakingly lifelike. It will defy your sense of the possible for such a compact system.

Rechargeable lithium-ion battery for up to 10 hours playtime

A rechargeable lithium-ion battery provides up to 10 hours playtime, while a USB connector can charge an external device.

Ceramic-coated aluminum chassis and the highest quality materials throughout

Over every inch, from every angle: durability, scratch resistance, and appeal to the hand and eyes, as well as the ears.

Cutting-edge design – huge sound and intuitive operation in a minimalist package

A small array of intuitive, illuminated buttons control all functions.

Easy Bluetooth® pairing with NFC

It couldn't be easier to simply tap your NFC-equipped devices with the Infinity One for Bluetooth® pairing. The One pairs to any Bluetooth® device, reconnects automatically, and remembers previously connected devices. There's also a 3.5mm jack for a wired connection.

What's in the box:

- 1 Infinity One portable speaker
- 1 Power adaptor
- 1 Safety sheet
- 1 Quick-start guide

Product specifications:

- ▶ Type: Wireless Bluetooth® Speaker
- ▶ Battery type: Lithium polymer, 7.4V 5000mAh
- ▶ Listening time on battery: Up to 10 hours (varies by volume level and audio content)
- ▶ Acoustic components: 4 x 45mm drivers and 2 passive radiators
- ▶ Output power: 25W
- ▶ Frequency response: 70Hz – 20kHz
- ▶ Maximum SPL: 80dB
- ▶ Power supply: 13VDC 1.7A
- ▶ USB: 5V 2.1A
- ▶ Micro USB: 5V 0.5A
- ▶ Bluetooth® transmitter power: 0-4dBm
- ▶ Bluetooth® transmitter frequency range: 2.402 – 2.480GHz
- ▶ Bluetooth® transmitter modulation: GFSK, $\pi/4$ DQPSK, 8DPSK
- ▶ Others: Built-in microphone, USB for charging external device, NFC
- ▶ Dimension (Diameter x Width): 98.5mm x 242mm
- ▶ Weight: 1.3kg
