

# FAMILY ROOM

We used Wilton food-safe pens (five colors for \$8, [wilton.com](http://wilton.com)).

EASTER FUN

## Donut-Hole Sheep

These little guys aren't too *baaaaad* to make: Start with a pack of powdered-donut holes (mini donuts work too!) and a bag of white Jordan almonds. Draw faces on the almonds with a food-safe marker, then use icing to "glue" on white-sprinkle ears and snowflake-sprinkle hair and to attach almond heads and halved-black-jelly-bean feet. Your herd will wolf 'em down!
